## Family Locator Quick Start Guide

### What is Sprint Family Locator?

Sprint Family Locator empowers Moms and Dads to locate loved ones from the web or their mobile phones.

Using GPS technology already built into Sprint phones, parents can view their child's location on an interactive map.

### What information is inside of this guide?

This Quick Start Guide contains all of the information you need to get your Sprint Family Locator account up and running.

This guide will help you to:

- Sign up for the service
- Understand and use the basic features of Family Locator

### Keep Your Family Safe with Sprint Family Locator!

Sprint Family Locator allows you to locate your loved ones using their Sprint phones. Locate up to 4 phones for \$5 a month. See your family's location on an interactive map.

Want to get regular updates of your family's location? Set up Safety Checks to be notified when your kid gets home from school each day or to ensure your teenager makes it home by curfew.

Sign up now and get a **15-day free trial**. \$5 will be added to your monthly Sprint bill after your trial period.

### Sign Up for FREE Trial!

To get started, enter your Sprint mobile phone number and email address.

This phone number should belong to your account's primary account holder.

**Sprint Mobile Number:**

Enter your email address carefully. Important notifications and messages will be sent to this address.

**E-mail address:**

**Type it again:**

**Continue** →

Each page of this guide contains the image of a Sprint webpage.

The outlined circles on the page -  
- guide you through what to do to sign-up for Family Locator.

Yellow circles  
(like this one) provide general info along the way.

1

Go to  
**[www.sprint.com/familylocator](http://www.sprint.com/familylocator)**

2

Enter your basic info under **Sign Up for FREE Trial** to start the registration process

Signing up for Sprint Family Locator is finished in 4 pages. This is what page 1 looks like.

- 1 Basic Contact Info
- 2 Security
- 3 Select Phones to Locate
- 4 Account Info and Terms

This phone number should belong to your account's primary account holder.

**Sprint Mobile Number:** (  )  -

Enter your email address carefully. Important notifications and messages will be sent to this address.

**E-mail address:**

**Type it again:**

> Continue

A

Have your mobile phone on hand to make sign-up as fast as possible.

B

This number is your primary mobile phone number

C

Enter your day-to-day e-mail address.

D

Click Continue

- 1 Basic Contact Info
- 2 Security
- 3 Select Phones to Locate
- 4 Account Info and T

## Choose one of two options to continue signup

### Option A

#### Use the temporary password we sent you

Enter the temporary password we just sent to 111-555-3002. If you choose this option, all the phones on your Sprint account will be notified that you are purchasing the service. If you choose Option B, only the phones you want to locate will be notified.

Temporary Password:

> Continue with temporary password

[Need help with the temporary password?](#)

A1

Sprint sent a temporary password to the number that you submitted in Basic Contact Info. You can verify your identity by entering this password here.

or

A2

### Option B

#### Use your My Sprint account

If you have a My Sprint account, are the primary account holder on that account, and you know your login credentials, you can confirm your identity with the temporary password.

> Continue to My Sprint account

[Need help with your My Sprint account?](#)

If you see this page, it means you need to verify that you have a Sprint account.

If you have a MySprint account and are logged into it during sign-up, you will not see this page.

Do you have a MySprint account and do you know your username and password? If so, You can also verify your identity by signing-in.

## Family Locator

EXHIBIT 29

Here, you are selecting and naming the phones that you want to locate.

- 1 Basic Contact Info
- 2 Security
- 3 Select Phones to Locate
- 4 Account Info and Terms

### Select and Name Phones

You may select to locate up to four phones from your account for \$5 per month. All Sprint and Nextel phones are compatible to locate. Only the active phone lines on your Sprint account are displayed.

<input checked="" type="checkbox"/>	111-555-4000	Name: <input type="text" value="Example:Taylor"/>
<input checked="" type="checkbox"/>	111-555-4001	Name: <input type="text" value="Example:Taylor"/>
<input checked="" type="checkbox"/>	111-555-4002	Name: <input type="text" value="Example:Taylor"/>
<input checked="" type="checkbox"/>	111-555-4003	Name: <input type="text" value="Example:Taylor"/>

**Tip:** Once you sign up for Sprint Family Locator, you can add compatible phones from other accounts. [Learn more.](#)

**Note:** You can only add phones that are on the same Sprint account as your phone.

Once you sign up for Sprint Family Locator, you can add compatible phones from other accounts.

**A** Select up to 4 phones that you would like to locate.

**B** You can **name your phones** now, too. This step is not required.

The phones that you select will receive a text message that they can be located. [Why?](#)

[> Sign In & Locate](#)

You are now  
ready to start  
locating your  
family members!

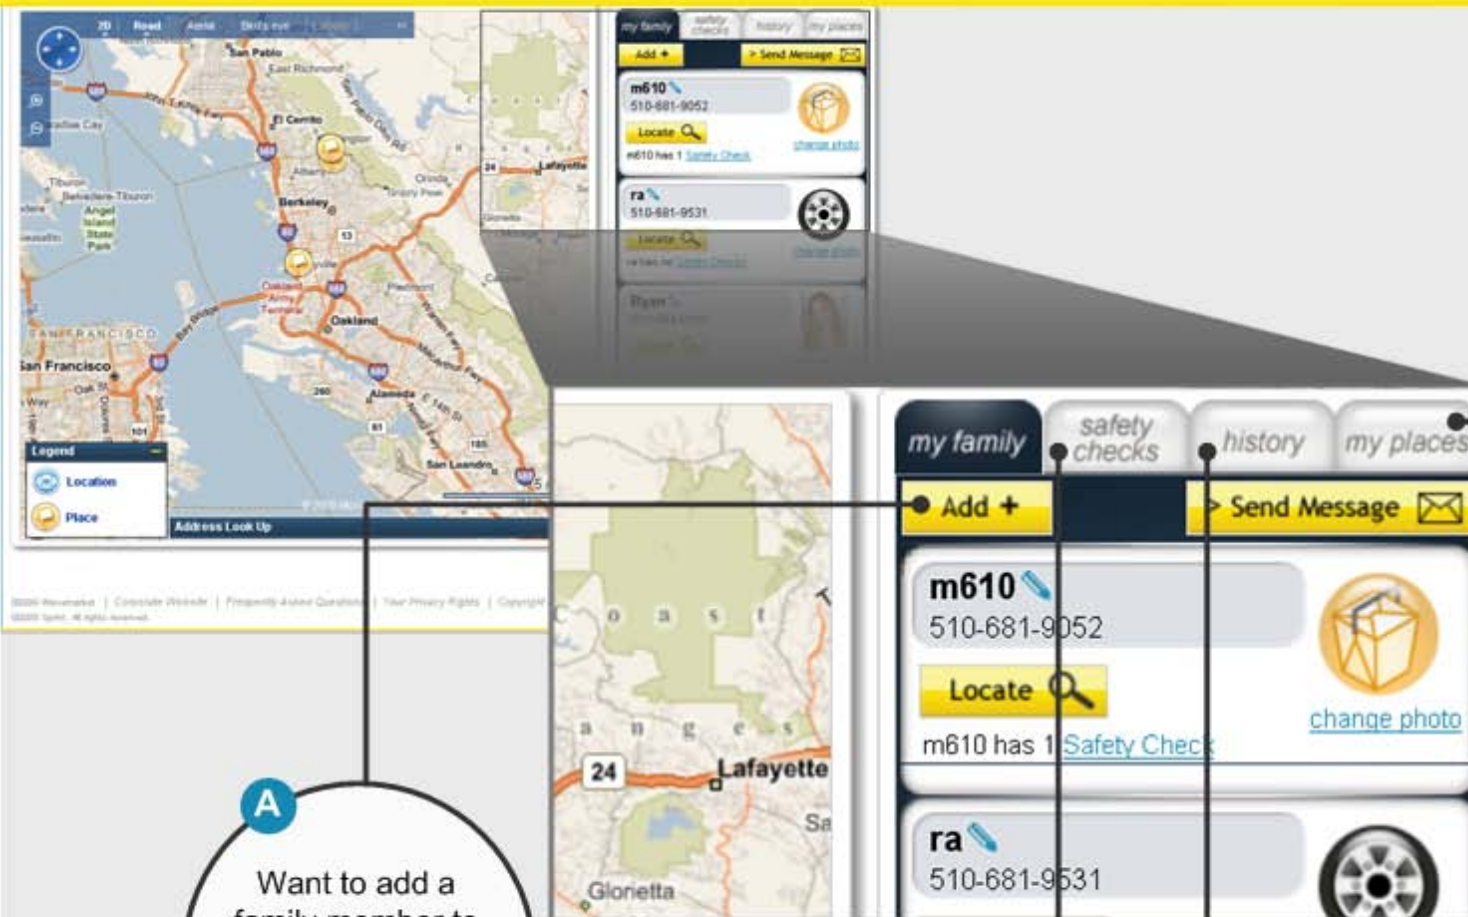

A

Click **Sign In & Locate**. You will be taken to the Sprint Family Locator main page.

## Family Locator Quick Start Guide Using Family Locator

To your left is a snapshot of what the main page of Family Locator looks like. Below is a close-up on the various tabs in Family Locator.

A

Want to add a family member to Family Locator? Click **Add** and follow the prompts.

B

Want to set up automated locates? For example: Where is Billy at 6PM on Monday, Wednesday and Friday? Click **Safety Checks**.

C

Curious about where your family members have been? Click **History**.

D

Click **My Places** to convert addresses into landmarks. For example, you can change "111 Chestnut St." to display as Billy's School.
